Examples of Things to Observe & Ask Questions About

color	size	shape	texture
comparisons <i>(is it the same everywhere?)</i>	<div style="border: 1px solid black; padding: 20px; text-align: center;"> <p>?</p> <p>Mystery Object</p> </div>		durability <i>(how hard would it be to break?)</i>
smell			weight
pattern	weird markings	volume	density

Using language of uncertainty

I think...because...

Perhaps...

Possibly...

In my experience...

I wonder if...

Maybe...or...

The evidence seems to show...
