

Celebrate the Earth

at **The Lawrence**

Sunday, April 26

11:00 a.m.–3:00 p.m.

Meet crawly critters, observe dinosaur bones, learn about Ohlone knowledge, and more at our third-annual Earth Day Celebration! Organizations from UC Berkeley and beyond will bring hands-on science and nature activities. Plus, Grammy- and Emmy-winning Alphabet Rockers will perform, debuting the Spanish-language version of their song “H2Flow en Español,” sponsored by EBMUD.

Count down to Earth Day with special outdoor activities at The Lawrence all month long!
